

Heaven is a distinct place-locality; for Jesus said so. Heaven is:

1. The House of the Living.

1. Here death, decay, coffins, graves ETC. 2. There Corruption puts on incorruption; mortality-immortality.

2. Heaven is the Home of Release.

1. Free from sin, suffering, sorrow, tears. No hospitals; no asylums, no orphan homes.

3. Heaven is the Home Spacious.

1. Here we are tied down like eagles in barnyards; like singing birds in cages. We are limited by inviroment; by the circumstances of life.

4. Heaven is the House Eternal.

1. Here we see changes everywhere: Mountains crumbling; oceans evaporating; Rivers running dry; Suns cooling; Stars growing old; Nations; empires; kingdoms; republics come dancing into light and go skipping into darkness. Heaven endures forever. Billions of years and no change.

5. Heaven is a house Indescribably Beautiful.

1. This is a beautiful world. What must heaven be like. (See Rev. 21:1-5; 22:1-5)
2. Unsaved: Your house is left unto you desolate. Matt. 23:37,38.
